

§211.7

(e) Requests for restoration priority assignments made by NATO, NATO national military authority, and such other requests as the Executive Agent may designate, will be forwarded through established Allied Long Lines Agency (ALLA) channels to the Secretary of Defense. The Secretary will forward to the Executive Agent for processing and approval such of these requests as he finds acceptable pursuant to approved NATO/U.S. procedures.

(f) Requests for temporary upgrading of restoration priority assignments occasioned by special critical conditions, including natural disasters, heightened diplomatic and political tenseness, and tracking and control of manned space operations, may be submitted to the Executive Agent together with such information as he may require for expedited processing decision.

(g) All assignments, denials and changes of restoration priorities and subpriorities are subject to review and modification by the National Security Council.

(h) When requesting service from the carriers the user must include the certified restoration priority on the service authorization.

§211.7 Obligation of carriers.

(a) During the continuance of a war in which the United States is engaged, and when the provisions of this part are invoked, all carriers shall accord restoration priority assignments certified pursuant to this part priority over all other circuits.

(b) To promote the national interest and defense preparedness, carriers shall:

(1) Maintain such records of restoration priority assignments certified pursuant to this part as may be necessary to enable prompt implementation;

(2) Enter into agreements, to the extent possible, with their foreign correspondents to effect restoration of the foreign portion of leased international services in accordance with this part;

(3) Notify the Executive Agent of foreign correspondent procedures affecting Federal Government services that are not reasonably consistent with the priority requirements of this part.

PART 212—PROCEDURES FOR OBTAINING INTERNATIONAL TELECOMMUNICATION SERVICE FOR USE DURING A WARTIME EMERGENCY

Sec.

212.0 Authority.

212.1 Purpose.

212.2 Scope.

212.3 Responsibilities.

212.4 Other requirements.

AUTHORITY: E.O. 12046, 43 FR 13349, Mar. 29, 1978 (3 CFR, 1978 Comp., p. 158); E.O. 12472, April 3, 1984, (49 FR 13471; 3 CFR, 1984 Comp., p. 193).

SOURCE: 55 FR 51061, Dec. 11, 1990, unless otherwise noted.

§212.0 Authority.

(a) Authority to establish arrangements to ensure that the NS/EP telecommunications needs of all Federal government entities are met in a manner consistent, to the maximum extent practicable, with other telecommunications policies is contained in Executive Order 12472 and Executive Order 12046.

(b) These procedures are applicable to the communications common carriers and non-Federal Government users under the President's authority contained in subsection 706(a)–(d) of the Communications Act of 1934 (47 U.S.C. 606(a)–(d)), as amended. The authority under subsection 706(a) has been delegated by Executive Order 12472 to the Director of the Office of Science and Technology Policy, contingent upon issuance by the President of implementing instructions in accordance with the National Emergencies Act (50 U.S.C. 1601). This authority may be exercised only during wartime emergencies.

§212.1 Purpose.

The purpose of this part is to provide specific guidance to Government and private entities who may have requirements for international telecommunication service during wartime emergencies.

§212.2 Scope.

The procedures in this part provide guidance for the submission of emergency requirements for telecommunication channels from the United States to overseas or foreign points. Guidance on this subject was previously contained in Annex 2 of DMO 3000.1 and Mobilization Plan IX-3. Mobilization Plan IX-3 has been canceled.

§212.3 Responsibilities.

(a) Executive departments and agencies of the United States, whether or not components of the National Communications System, (NCS), shall, to the extent permissible by law and consistent with national security, submit their international emergency telecommunications requirements to the Executive Agent, NCS, for coordination and consolidation of mobilization requirements.

(b) The Department of Defense shall coordinate NATO requirements in consonance with approved NATO/U.S. procedures for subsequent processing by the Executive Agent, NCS.

(c) The Department of State shall coordinate and approve foreign government telecommunications requirements and forward them to the Executive Agent, NCS, for further processing.

§212.4 Other requirements.

(a) Government, other than Executive departments and agencies of the United States, having need for emergency international telecommunication service, shall present their requirements through the appropriate sponsor to NCS.

(b) The private sector, including carriers, having need for emergency international telecommunication service, shall present their requirements to the Federal Communications Commission (FCC).

AUTHORITY: Sec. 606, 48 Stat. 1104; 47 U.S.C. 606, E.O. 10705, 3 CFR, 1954-1958 Comp. E.O. 10995, 3 CFR, 1959-1963 Comp., President's Memorandum of August 21, 1963; 3 CFR, 1959-1963 Comp., p. 858; E.O. 12046, 43 FR 13349, Mar. 29, 1978.

SOURCE: 43 FR 50434, Oct. 30, 1978, unless otherwise noted.

§213.0 Authority.

(a) The voice and message precedence procedures for departments and agencies of the Federal Government prescribed by this part are prescribed pursuant to Executive Order No. 12046 (43 FR 13349 *et seq.*) and the President's memorandum of August 21, 1963, which established the National Communications System (28 FR 9413; 3 CFR, 1959-1963 Comp., p. 858).

(b) The procedures applicable to communications common carriers and non-Federal Government users prescribed by this part are prescribed by authority conferred upon the President by subsection 606(a) of the Communications Act of 1934, as amended, and delegated to the National Security Council by Executive Order 12046. That authority under section 606(a) may be exercised only during the continuance of a war in which the United States is engaged.

§213.1 Background and purpose.

(a) The National Security Council and the Federal Communications Commission have agreed upon a precedence system for the expeditious handling of messages and calls transmitted over Government and public correspondence facilities in all types of situations from peacetime to massive nuclear attack. Effectuation of that system requires that the Director issue a circular and that the Commission concurrently issue an order prescribing the standards, procedures, policies, and regulations that together, constitute this single integrated precedence system.

(b) In conformity with that agreement the National Security Council is issuing this circular the purpose of
